

COULD YOU BE AN ART BYTES CHAMPION?

Do you want to boost cultural capital in your ward?

Do you believe in the importance of art education?

Do you promote visual arts as an integral part
of a recovery curriculum?

Do you believe all children should be given the
opportunity to think and express themselves creatively?

Support us to nurture children's talent by
becoming an Art Bytes Champion

WE NEED YOUR HELP

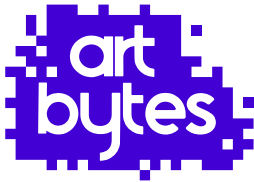

Art Bytes' mission is to champion the creativity of the nation's next generation using art and virtual technology, raising aspirations for better futures.

Many schools would love to take part in the Art Bytes programme, but budget cuts, already allocated funds and pupil premiums being given to "core" subjects, make this a challenge and barrier to involvement. Our Champion Scheme is a way for you as a Ward Councillor, to support creativity in schools in your area, all whilst building valuable cultural capital and narrowing the disadvantage gap, that we know the pandemic has increased markedly.

**For each donation of £295
a school can take part for one year**

In return, as well as sharing in the knowledge that you are making a real difference to the children in your ward and standing with visual arts teaching, supporting art education, you will receive:

- Your details on the portfolio page of the school/s you are supporting
- A special Art Bytes Champion logo to use on your own website or social media
- Invitations to the Celebration Event and Virtual Exhibition launch in June

Continued cuts to the arts curriculum means more and more children and young people are not being offered the chance of a rounded, creative education.

Creative Industries are currently growing at twice the rate of the rest of the economy and a huge proportion of future jobs will have creativity at their core.
