WE NEED YOUR HELP

Many schools would love to take part in the Art Bytes Programme but budget cuts have made it a challenge. We need people and businesses like you to make a small contribution to allow them to get involved.

**For a donation of £295+VAT
A school can take part for one year**

In return, as well as the knowledge you are making a huge difference to the lives of children and young people in your region, you will receive:

- Your logo and weblink on the portfolio page of the school you are supporting (schools in need can be assigned or you can pick one close to your heart!)
- Your company name listed as an Art Bytes Champion on the website
- A special Art Bytes Champion logo to use on your own website
- Invitations to the Celebration Event and Virtual Exhibition launch in June
- A tree planted in your name as part of dot-art's pledge to the Ecologi community to tackle the climate crisis.

Continued cuts to the arts curriculum means more and more children and young people are not being offered the chance of a rounded, creative education.

Creative Industries are currently growing at twice the rate of the rest of the economy and a huge proportion of future jobs will have creativity at their core.
